

## A Read-to-Me Program (For Preschoolers & Entering Kindergartners)

June 2010

Dear Parents,

I would like to invite you to enroll your child in this year's Summer Reading Program "Set Sail For Summer Reading" at the Port Chester-Rye Brook Public Library. Just because your child can't yet read doesn't mean he or she is too young to join our program. "Set Sail For Summer Reading" is designed to have books read to children by parents, grandparents, siblings, baby-sitters, and others.....

We want to help your child discover a lifelong love of books and learning. Research has shown that an early introduction to books and involvement in reading programs does make a difference in a child's life.

- Registration begins on Tuesday, June 1st.
- Children will be given a "Set Sail For Summer Reading" reading log to record the number of books that you are reading together.
- Each time that you and your child come to the library, you will be able to put up a sticker on our bulletin board displays, starting Tuesday, June 29th.
- Starting Wednesday, August 11th, children can come to the library and pick up a special surprise to reward them for their summer reading.

Sincerely,

*Tee Cotter*
