

PCMS Summer Reading 2021*

Your summer reading assignment for 2021 is to

Read a book. Yes, just read a book. You might want to stop and jot when you read. Some of us find that stopping and jotting helps. But you don't need to stop and jot. You simply need to read a book.

What counts as a book? All of the following count as books:

- A novel (this could be all words, a graphic novel, a manga)
- A nonfiction book (for example a biography, or a study of a single subject)
- A play
- A short story collection
- A collection of one writer's work

Where can you find a book? Here are some places you can find a book.

- The Port Chester-Rye Brook Public Library has hard copies of books as well as audio and ebooks [Welcome | Port Chester-Rye Brook Public Library](#)
- Sora (look for the cartoon plane  in your Google apps) has ebooks
- [Google Books](#) has lots of online titles for you to read.
- Buy a book from a bookstore (in person or online at Amazon, Barnes and Noble, etc.)
- Borrow a book from someone

Is that it? Yes, that's it for now. You will be using the book in some way in September, so you should note the title and the author. That's all, though. Simply read and enjoy!

Have a happy and safe summer!

*Every student in grades 6, 7, and 8 will complete this assignment
